

Safeguarding Policy

It is essential that everyone who works with children is aware of and understands their responsibilities in safeguarding children.

The Government's aim is for every child, whatever their background or their circumstances, to have the support they need to:

- Be healthy
- Stay safe
- Enjoy and achieve
- Make a positive contribution
- Achieve economic well-being

If you have any concerns about the welfare of a child you should immediately discuss them with a permanent member of staff and, if possible, the designated teacher.

Every school has a teacher designated for **Safeguarding**. This information can be found on your booking form.

It is better to be safe than sorry so even the slightest worry should be shared with a more senior member of staff. Where concerns arise as a result of information given by a child it is important to reassure the child but not to promise confidentiality.

Failure to raise Safeguarding concerns could result in disciplinary action and / or Police enquiry.

School House Recruitment Ltd deliver annual Child Protection Training for all supply staff.
